EUNIVERSITIES: ADVANTAGES

EASY ACCESS

You can participate without previous technological knowledge. The platform is simple and user-friendly, and EVoting accompanies the entire process before, during and after.

MORE SECURITY

Our system and protocols guarantee the secrecy of the vote, the privacy of personal data and the transparency of the process.

CAMPUS ELECTORAL ROLL

We work with the voter information provided by each higher education campus, ensuring the participation of only those who actually belong to it.

FACILITATES ORGANIZATION

It avoids the transfer of voters and material, searching for voting officers, guarding and moving ballot boxes, etc. And it allows participation regardless of where in the country or the world the scholar is located.

MORE PARTICIPATION

Easy access and permanent support allow everyone to participate, regardless of where they are.

MORE EFFICIENT

The results are accurate and are known as soon as the process is completed.
